CHAPTER 1

INTRODUCTION

Usually specifies the scope of work and its importance and relation to previous work and the present developments

Do not start subsection directly in any chapter. Give some details for at least 1 para before starting a sub section.

Can mention motivation behind doing this project. A brief background of the project can be mentioned.

Fig 1.1 Levels of wearable technology

As can be seen in Fig 1.1, …

(Always reference Figures/Tables/Equations from your text, Figure captions should be below the Figure.)

1.1 Objectives

1.2 Scope of the project

CHAPTER 2

SYSTEM REQUIREMENTS

Start every chapter on a new page . Do not start subsection directly in any chapter. Give some details of the chapter for at least few lines before starting a sub section

2.1 Front End Tools

Write few lines about the front-end tools that you have used in this project highlighting their benefit/ usage in this project

2.2 Back End Tools

Write few lines about the back-end tools that you have used in this project highlighting their benefit/ usage in this project

CHAPTER 3

DESIGN

Start every chapter on a new page . Do not start subsection directly in any chapter. Give some details of the chapter for at least few lines before starting a sub section

3.1 Schema Diagram

3.2 ER Diagram

3.3 Database Tables

CHAPTER 4

IMPLEMENTATION

Start every chapter on a new page . Do not start subsection directly in any chapter. Give some details of the chapter for at least few lines before starting a sub section

***Here Provide Details of all the modules along with code

4.1 Installation Steps for Execution of the Project

4.2 Front-end Code

4.3 Back-end Code

CHAPTER 5

INTERPRETATION OF RESULT

Start every chapter on a new page . Do not start subsection directly in any chapter. Give some details of the chapter for at least few lines before starting a sub section.

List here Result Snapshots of the Project with interpretation of the result.

5.1 Result Snapshots

Fig 5.1 Title

Interpretation: (Write 1 Paragraph explaining the result snapshot

Fig 5.2 Title

Interpretation: (Write 1 Paragraph explaining the result snapshot

Fig 5.3 Title

Interpretation: (Write 1 Paragraph explaining the result snapshot

CHAPTER 6

CONCLUSION AND FUTURE SCOPE

Mention result summary of the project/ outcome of the project/ Learning Outcome with future scope of the project.

REFERENCES

Mention here the book details with publication details/ Internet source details that you have referred while doing this Project. Put References as per below mentioned template.

[1] A. Nordrum, "Popular Internet of Things Forecast of 50 Billion Devices by 2020 Is Outdated," IEEE Spectrum, vol. 18, 2016.
